

**RULES FOR SELECTING PROGRAM PATHS AND COURSES FOR  
INTERNATIONAL STUDENTS  
AT THE FACULTY OF ECONOMIC SCIENCES,  
KOSZALIN UNIVERSITY OF TECHNOLOGY,  
ERASMUS+ PROGRAMME 2026/2027**

In accordance with the educational offer of the **Faculty of Economic Sciences for the 2026/2027** academic year, students are required to select one of two program paths (**Path 1** or **Path 2**), which strictly defines the set of **courses** to be completed during their studies. Within the chosen path, students select specific courses, the ECTS values of which are specified in the respective syllabi.

The commencement of **elective courses** is subject to student enrollment; a course will only be conducted provided the required minimum number of registrations is met. Consequently, should there be insufficient enrollment, certain courses may not be offered in a given semester.

Furthermore, the Faculty reserves the right to introduce changes to the organization of classes and to make necessary adjustments to the study plan during the semester, provided such changes arise from significant administrative or organizational reasons and do not affect the intended learning outcomes.
